

15th ANNUAL WORKING WELL CONFERENCE

August 20, 2019 | 8:30 am - 4:30pm | Wichita Hyatt

**LAURA
PUTNAM**

Join Laura as she shares discoveries from a cutting edge “Managers on the Move” initiative that is empowering managers across the country to become multipliers of well-being. She’ll reveal the dramatic results so far and strategies you can apply to spark a manager-led movement in order to truly cultivate wellness in your own organization.

**ANDY
NEARY**

Andy Neary explores the three principles that will help you win the battle with rising health insurance costs and build a health plan employees love, while improving your bottom line.

“Strike Out the Status Quo” incorporates the right principles that requires a change in mindset that solves problems that initially created the problem, and change the way you look at designing a successful health plan.

**AUDREY
HANE**

Audrey will share the psychological safety and trust in the workplace impact how we feel and perform at our jobs.

You will learn how to create a work environment where members are productive, engaged and energized. Audrey will explain the eight building blocks for organizational trust and develop a plan for implementing it within in your organization.

- *Worksite wellness from a fresh perspective*
- *Resources and vendors that can help you accomplish your goals*
- *Best practices for cultivating a culture of wellness*

Learn how to identify, understand, and respond to signs of mental illness and substance use disorders at Mental Health First Aid on Wednesday, August 21st from 8am-5pm
