

WHITE CANE DAY

CELEBRATING INDEPENDENCE

Get your sneakers ready, invite your friends, and let's celebrate our 90th Birthday together at **Envision's White Cane Day Walk!**

SATURDAY, OCTOBER 14, 2023
10 - 11 a.m. | Exploration Park Festival Plaza
And it's absolutely free!

Join us as we walk united from Exploration Place Festival Plaza to the iconic Keeper of the Plains, returning to celebrate Envision's 90th Birthday together.

The white cane is a torch of independence for those in our community who are blind or visually impaired, lighting their journey towards mobility.

Show your support with a White Cane Day t-shirt! You can also promote independence and make a difference by donating. A white cane costs \$45, and your support will allow Envision to continue to offer white canes, adaptive technology, and vision rehabilitation regardless of ability to pay.

Join Envision's White Cane Walk on Saturday, October 14 for an unforgettable day!

Scan the QR Code to register for the walk, order your t-shirt or give.
